**Wednesday 17th January**

Breakfast  
Knights Palace

08:30

Depart the Notre Dame

Centre for Emmaus - Qubeibeh

*Qubeibeh and the surrounding villages of the “Biddu enclave are completely surrounded by the Israeli separation barrier. There is only one road leading to the village, passing through a 1km long tunnel, under a settlement area. Travelling to the village can give a strong impression of how the people living in this area feel besieged.*

09:30

Arrive Emmaus-Qubeibeh

*Qubeibeh is one of the three villages that compete for being the biblical “Emmaus” of Luke 24. Next to QNP there is the Church of Cleopas, where the risen Lord is said to have had dinner with the two disciples.*

**Welcome to Qubeibeh**

Sr. Hildegard  
Young volunteers, staff & residents

Qubeibeh

**Visit the Home for the Elderly**

10:15

**Qubeibeh Nursing Programme (QNP)**

Br. Peter Bray  
Vice Chancellor - Bethlehem University

Qubeibeh

*The QNP is a good example of a programme that gives perspectives and future job opportunities to young people in a mainly rural area, with high levels of unemployment and many social and political problems. The level of excellence in QNP is high and since 2011*

*almost 100% of the graduates have found jobs  
mainly in East Jerusalem.*
